Felivic Proofreading was formed by a group of experienced editors with the goal of providing world-class proofreading and editing services for students, academicians, businesses/organisations and private individuals across the globe. Our goal is to deliver a thorough and in-depth proofreading and editing service for clients that adds genuine value to their English writing. As we spend small amounts on marketing and advertising, it is only by delivering a remarkable service to our clients that we are able to generate more business for ourselves. We are highly reliant on our clients sharing their experiences with their friends

and colleagues about the great service they have received from Cambridge Proofreading.

Over time, this commitment to quality service has garnered us a strong reputation amongst academic and business circles across the world. Our Quality Guarantee states that all writing edited by our team will exceed the English standards required by publishing houses and universities around the world. This guarantee applies to all documents received by our team, irrespective of deadlines or fees.
