Don Bosco Institute of
Technology, GGDIPU, Delhi

ACKNOWLEDGEMENT

Software Support

PKP PKP is a multi-university initiative developing (free) open source software and conducting research to improve the quality and reach of scholarly publishing. Public Knowledge Project is a non-profit research initiative that is focused on the importance of making the results of publicly funded research. It is a partnership between the Faculty of Education at the University of British Columbia, the Canadian Centre for Studies in Publishing at Simon Fraser University, the University of Pittsburgh, Ontario Council of University Libraries, the California Digital Library and the School of Education at Stanford University.
